

STEAM-y Wednesdays

At the Littleton Public Library

1:30-3:00 pm for ages 8 and up
June 21 & 28; July 5, 12, 19 & 26

Join Lead Engineer, Mrs. Kathy Ross, for afternoon explorations of science and engineering with the added element of the arts.

Come for one workshop...or all of them...whatever fits into your summer of fun. No registration necessary, but participants should have credentials (aka Littleton Public Library card) and believe in teamwork and having fun!

Contact children's librarian, steffaney smith, for further information
(littlibyouth@gmail.com or 444-5741)

Take a break from school, but NOT a break from LEARNING!
