

Tails of the Trails

presented by Littleton Public Library

Directions: Go up to the end of School St. There you'll find PRKR MTN Trails parking spots. Follow the Radio Tower trail until you reach the star -- marked by a sign saying the library trail starts there!

This nature themed trail will be open during the summer for people of all ages to hike and count towards the Summer Reading Program! The trail is a slow decline that takes you right by the infamous Tea Pot Rock. Along the way you'll find information signs about animals and natural occurrences all around you.

This event wouldn't be possible without our friends from the Conservation Commission and PRKR MTN Trails!
