While consideration of all resident's opinions is fundamental in shaping this library's acquisitions and programs, it is understood some may disagree with some of these choices. Therefore, Littleton Public Library adopts the following 'Reconsideration of Materials' procedure:

- Written requests for removal of library materials or objections to programs or displays by Littleton Residents ONLY shall be considered by the Library Trustees. Forms for such requests are available at the circulation desk.
- The trustees will review the merits of such requests at the next scheduled meeting, or may call a special meeting for the purpose of discussing the request. A written response to the request will be made by the Trustees within 10 business days of their decision.

- During reconsideration, no change will be made in materials presented, scheduled programs, displays, or exhibits.
- All Board of Trustee decisions are final.
